

# For the Past and for the Future

To Celebrate the Centennial of North Little Rock, the planning committee is creating a Centennial garden in downtown North Little Rock. Paving bricks will ring the Centennial Garden and be engraved with name of the contributor.

Become a part of the History of North Little Rock and purchase your own personalized paving brick. Your brick will be engraved according to your specifications – with a name, a memorial message, or any other special tribute, up to three lines and 14 characters per line.

Proceeds from the sale of the engraved brick will go to the construction and fabrication of the memorial for the Centennial of North Little Rock.

All contributions toward the Centennial Memorial are tax deductible.

*Show your support and hometown loyalty by purchasing a brick for 50 dollars that has up to three lines of text*
